Dear Staff:

It is regrettable that I even need to address the "cheating allegations" that was reported in the Daily News today.

As of today, I have received no official word about such an investigation which is why I did not reply to the reporter's inquiry.

Obviously, it is very painful to see our school attacked without any specifics spelled out or the compliant name or names.

Needless to say, I have always been very proud of you and the hard work that you do each and every day.

I believe the "allegations" in the paper to be without merit and look forward to a thorough, fair and timely investigation that will clear our school and teachers of any wrongdoing.

Please know that I could not be more proud of the work our staff, our parents and most importantly-our students are doing.

Just want you to stay positive and don't let anonymous "allegations" made deter you from our work... Let's stay focused on our students!

Best

Janette Caban
